

WE'RE HIRING!

WILMAR GROUP INDONESIA

Company Overview

Wilmar Group Indonesia is an Asia leading agribusiness group. We are the largest global processor and merchandiser of palm oil and lauric oils, a major oil palm plantation owner and the largest palm biodiesel manufacturer in the world. We operate over 160 processing plants and employ about 67,000 people in more than 20 countries, with a primary focus in Indonesia, Malaysia, China, India, and Europe. Through an extensive distribution network, our products are sold to more than 50 countries globally. The scale, integration and logistical advantages of our business model provide significant operational synergies & cost efficiencies.
